A Ukiah surgeon who formerly practiced in Marin was arrested last week on suspicion of drug charges, including prescription fraud.

Dr. Brian Cable, 48, of Redwood Valley, once worked at Marin Orthopedics and Sports Medicine in San Rafael. George Rodriguez, an administrative assistant, said Cable left that practice in 2009. Marin Orthopedics is now in Novato.

Ukiah detectives issued a \$150,000 arrest warrant for the doctor that includes charges he fraudulently obtained controlled prescription narcotics. He was arrested and booked at the Mendocino County Jail.
